JOHN MCE. BOWMAN, PRESIDENT  
EDWARD M. TIERNEY, VICE PRESIDENT

Dear Mr. Howard:

I have written quite a number of new things in the past few years and I am asking my publisher to send you a full set of my "Triakontameron"- thirty pieces - which I hope you will find interesting.

Because of my constant traveling I have been unable to answer your kind letter hitherto. I fully appreciate your exceptionally annotated programs and shall be glad to hear from you at any time.

If I find something suitable to dedicate to you, you may be sure that I shall comply with your request,

Yours sincerely,
