Aug. 23/35 Dear friend: I have been
travelling all over Europe, including
Moscow and Leningrad. It was a great
experience. I shall return to New York
with a ^{small} trunk, and intend to write
you, getting you some of my impressions.
I am taking medicinal baths in
and I went through a drinking cure
at Karlsbad. I hope that you ^{will} ^{be} ^{well}
your special family in perfect health.
With affectionate greetings and
best wishes, I am devotedly yours,
Godowsky
